Donna gave an overview of the GMC IRWMP process to date.

Website: Sierra informed the group that she has updated documents on the website (<http://ccwg.mlml.calstate.edu/irwmp/>).

Issues and Conflicts: The Regional Water Management Group (RWMG) worked on developing a list of “experts” to Interview to help determine the region’s “issues and conflicts.” RWMG members suggested various local experts, and a list was generated. An Issues and Conflicts Subcommittee was formed, consisting of: Sierra, Bridget, Gary Shallcross, Elizabeth, Dana, and Amy. The subcommittee will begin interviewing experts and developing a list of issues and conflicts that are considered significant for the region.

Stakeholder List: Susan requested help in developing the stakeholder list. The RWMG was asked to review the existing stakeholder list and to email Susan with the names of additional stakeholders not already included on the list.

Next meeting June 17th, at California Water Conference Room, Salinas.

Meeting adjourned 3:00 PM.
